

Technical Specification for Non - Return Valve- 1/4"

A	Features		
	Inline mounted		
	Low cracking and closing pressure		
	Bubble tight - elastomer seat		
B	Specification		
	Size	:	1/4 Inches
	Medium	:	Compressed air
	Working pressure range	:	0.4 - 10 bar
	Ambient / Medium temperature	:	5 - 60 Deg. C.
	Materials of construction	:	Brass,
	NW mm	:	7
	Flow lts/min	:	1000
	Model	:	NRV/1/4" <i>Kaveri Ultra Polymers Pvt. Ltd.</i>
C	Make — Operation <i>Airmax, Kaveri Ultra Polymers Pvt. Ltd.</i>		
	The valve shuts off instantaneously against reverse flow (from "OUT" port to "IN" port) and opens at low cracking pressure in the forward direction.
