

Annexure

Specification for Diaphragm valve

Straight through (KB) type diaphragm valve

Hand wheel operated

Flanges: - drilled to BS 10 Table 'D'

Diaphragm: Natural rubber

Body: ^{CI} lined with soft natural rubber

Properties of rubber for lining: -

Hardness: - $40 \pm 5^\circ \text{A}$

Tensile strength - 15.8 MPa (Min)

Elongation - 500 % (Min)

Specific Gravity - 1.14 (Max.)
